Message from Minister Dara Calleary TD

Welcome to the 2026 Cappamore Agricultural Show

Message from Minister Dara Calleary TD
Minister for Rural and Community Development and the Gaeltacht

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position again this year to support the Cappamore Agricultural Show for 2026. Funding of over €1 million is being provided through the Irish Shows Association to support 126 shows across the country including the Show here in Cappamore.

Rural Ireland is rich in heritage and in culture, and agriculture has played a central role in that. Our Agricultural Shows are a celebration of rural life, rural tradition, innovation and rural excellence. They are an occasion in the rural calendar to showcase local produce and livestock, together with artisan foods and crafts. They are an all-round great day out and I would encourage everyone to get along to their local shows this year.

This year we see an increase in the number of shows taking place across the country, again demonstrating the value communities place in these events. The meitheal and resilience evident in these shows is so encouraging as towns and villages right across the country host their local shows and the associated competitions across many different categories.

The sheer effort and determination of committees, volunteers and stewards must be acknowledged. The way in which these shows deliver great occasions for trade exhibitors, competitors and visitors is a fantastic achievement and, I as Minister for Rural and Community Development and Gaeltacht, am proud to support them.

I want to wish the Capamore Show every success for the 2026 season. No doubt it will be a huge success with a host of exhibits and competitive opportunities for local livestock and produce to be viewed and recognised for its excellence.

I wish all those who compete and visit the show a very enjoyable day and continued success to those taking part in the competitions. Keep up the good work!
